The Organizing Committee of the World Mission Conference - Arusha 2018

Dear Rev. Dr. Jooseop Keum and Dear Members of the World Mission Conference Organizing Committee,

Loving greetings in the Holy Spirit

It is with great interest and enthusiasm that we the Holy Spirit Missionary Sisters (SSpS) look forward to the event of the Arusha World Mission Conference in March 8-13 organized by the Commission for World Mission and Evangelization (CWME).

Ours is an international mission congregation with a membership of about three thousand sisters engaged in missionary activity in fifty countries of the world. We have a sizable presence in the continent of Africa. We have asked our membership all over the world to support and promote the Conference through their prayers and other gestures. We are also happy to note that Sr. Mary John SSpS from our Congregational Leadership Team is a member of the Commission for World Mission and Evangelism, which is responsible for the realization of the esteemed event.

As Leader of the Congregation, whose general administration is situated in Rome, my community and I extend to you, your collaborators and to all those who will participate in the event, our prayerful support and best wishes. We will make it a point to include the Conference Prayer in our daily liturgy those days and, where possible, follow the Conference by accessing it on-line.

With prayerful support,

Sr. Maria Theresia Hörnemann SSpS

Congregational Leader
